

DONATION FORM

CLIMATE TICKET CAPE TOWN:

Climate Ticket Cape Town provides the traveller with an opportunity to compensate for the CO₂ emissions and energy used during travelling. It does this by encouraging travelers and travel agencies to donate to Climate Ticket who in turn support projects within organizations like Abalimi Bezekhaya, Green Pop and SEED. The aims of these organizations include planet greening and environment sustainability. The Farm and Garden National Trust administers receipt of their donations.

With an amount of just **R100**, the beneficiaries of Climate Ticket can either **plant a 27,5 m² garden** which means a **carbon saving of 25 – 50 kg per year** or **plant one tree** which has a **carbon saving of 500 kg per year** over a 40 year lifetime.

Please indicate your donation by completing the section below
